

National Fleet Discount Program

Request for Letter of Authority

ARMA values its numerous associations, clubs and members across Australia, and have partnered with many vehicle manufacturers in order to provide access to our National Fleet Discount program.

In order to qualify and participate in the ARMA National Fleet Discount program, members must be a financial member of at least 90 days, and belong to a financial motoring group, which is affiliated under ARMA's Group Membership. i.e.... motoring associations, clubs, and their members.

Please fill in the details in the form below, and have it countersigned by your organisation's President, Chair or Secretary, then scan and forward it to admin@arma.net.au. We will then provide you with a Letter of Authority as soon as possible, so you can take it to your dealership, in order to claim the manufacturer's fleet discount which has been negotiated for ARMA members.
